

Program: Energy Revealed

Grade 9 – Ontario Phys. Ed/Health Curriculum Connections

Activity Name	Organizing Idea	Learning Outcome
Activity: Knowing Energy: Stair Climb	A. Active Living	A1.1 - actively participate in all aspects of the program choosing from a wide and varied range of activities
		A1.2 - demonstrate an understanding of factors that contribute to their personal enjoyment of being active and that can support their participation in physical activity throughout their lives and identify challenges and barriers to regular physical activity and actions they can take to overcome these
		A1.3 - demonstrate positive social behaviours and adherence to ethical and fair play standards that contribute to creating a rewarding and enjoyable environment for participation in physical activities
Activity: Knowing Energy: Tea at Home	N/A	
Activity: Knowing Energy: Race to a kWh	A. Active Living	A1.1 - actively participate in all aspects of the program choosing from a wide and varied range of activities
		A1.2 - demonstrate an understanding of factors that contribute to their personal enjoyment of being active and that can support their participation in physical activity throughout their lives and identify challenges and barriers to regular physical activity and actions they can take to overcome these
		A1.3 - demonstrate positive social behaviours and adherence to ethical and fair play standards that contribute to creating a rewarding and enjoyable environment for participation in physical activities
Activity: Knowing Energy: How Intense is Your Electricity Usage?	N/A	
Activity: Knowing Energy: The Electricity Grid	N/A	
Activity: Knowing Energy: Renewables	N/A	
Activity: Knowing Energy: The Big Picture	N/A	
Activity: All About the Baseline	N/A	
Activity: Can You Observe How You Conserve?	N/A	
Activity: Energy Hogs	N/A	
Activity: Electronic Overload	N/A	
Activity: Extra Energy Investigation	N/A	

Activity: How Smart is Your Smart Board?	N/A	
Activity: Imagination Station	N/A	
Activity: Small Appliance Energy Reliance	N/A	
Activity: Start Me Up!	N/A	
Activity: Total Energy vs. Total Cost	N/A	
Activity: Understanding Energy Efficiency in Your School	N/A	
Activity: Community Walk	A. Active Living	A1.1 - actively participate in all aspects of the program choosing from a wide and varied range of activities
		A1.2 - demonstrate an understanding of factors that contribute to their personal enjoyment of being active and that can support their participation in physical activity throughout their lives and identify challenges and barriers to regular physical activity and actions they can take to overcome these
		A1.3 - demonstrate positive social behaviours and adherence to ethical and fair play standards that contribute to creating a rewarding and enjoyable environment for participation in physical activities
Activity: School Energy Audit	N/A	
Activity: Find the Phantom Load	N/A	
Activity: Home Energy Audit	N/A	
Activity: Watchers and Seekers	N/A	
Activity: Science Slam	N/A	
Activity: Speak for the Trees	N/A
